

Spring Plant Sale

Spring is the perfect time to plant and the Conservation District of Southern Nevada (CDSN) can help you enhance your beautiful garden. Stop by our Spring Plant Sale on Saturday, March 5 & 26, 2011 and April 9 & 23, 2011 from 8 am to noon at Acacia Demonstration Gardens (50 Casa Del Fuego Street, Henderson, NV 89012). CDSN has partnered with the College of Southern Nevada (CSN) to bring you a wonderful selection of climate adapted plants for the Mojave area. Hummingbird and butterfly attractors as well as desert tortoise food plants will be available. All of the plant material was grown locally by CSN students and is drought tolerant to promote water conservation. Plant Prices will range from \$5-\$15. CDSN will only be able to accept cash and checks, NO charge sales. Hope to see you there!
